Dealership Completely Renovated

Renovated Service Area

Sales Offices

This project, located in Jenkintown, PA, includes extensive renovations to this Cadillac dealership to create a new multi-brand dealership for Cadillac, Oldsmobile, Pontiac, Buick, and GMC. The work requires creating a new Customer Service area; complete with a new waiting area; cashier room, and Service Manager's office. Also, eight stations for personnel service and a lunch room.

Renovations to the former showroom are also included.
