

**Oliver Wendell Holmes - Senior Living Complex  
Philadelphia, PA**

Exterior of complex before renovation

Auditorium Before Restoration

Fully Restored Auditorium

Apartment Interior

Interior Hallway

This 4-story, 70,000 SF former high school was fully renovated and transformed into a 42 one-bedroom senior housing facility. In addition to the spacious apartments on the upper floors, the first floor of the complex was designed for retail establishments as well as the office of the Professional Healthcare Institute, which will offer valuable services to the residents of the community.
